

Potluck Dinner on Friday

Everyone participating in the MNDTC agility trial is invited to a potluck dinner on Friday, Feb. 5, at the trial site half an hour after the last run of the day (probably around 5 p.m.). Whether you're a handler, volunteer, club member, family member or friend...whether you Q or NQ...please join us for good food and good conversation at the Ag Arena. Please bring your favorite potluck dish and your own nonalcoholic beverage; coffee and place settings will be provided. You can store food in the kitchen refrigerator during the day and plug in crock pots etc. there if needed. If you won't be at Friday's trial and so would like a heads-up call or text when the trial is close to ending, or if you have questions, contact Tracey Doods at (814) 360-8197 or tdoods@comcast.net
